Put Your Experience To Work

RSVP shows you how you can apply the skills and wisdom you've acquired throughout your life to make a positive difference in the lives of others.

As part of AmeriCorps Seniors, RSVP is America's largest volunteer network for people 55 and over, with more than 300,000 volunteers tackling tough issues in local communities nationwide. You choose how and where you want to serve, how much time you want to give and whether you want to share skills you have or develop new ones.

RSVP Means Results

Your time is valuable and we maximize every minute. Our highly structured program focuses on making tangible differences. National performance measures guide our efforts and ensure your work contributes to real lasting change in your community. We'll prepare you for success with orientation and training from the organization where you will serve. You'll even receive supplemental insurance while you are in service.

Mission:

To engage persons, 55 and older, in meeting critical needs that strengthen our community, improve lives and foster civic engagement through service and volunteering.

Vision Statement:

Provide our volunteers and our stations opportunities for any individual, 55 or older, to stay healthy and make a difference by meeting community needs.

What is RSVP?

RSVP is a non-profit agency that enlists people 55 and older to serve as volunteers in their communities.

RSVP provides volunteers with local opportunities that match their personal interests and use their skills and experience in filling community needs.

NWCSA-RSVP of Ashland/Bayfield/Douglas/Iron County is sponsored locally by the Northwest Wisconsin Community Services Agency, Inc. and AmeriCorps Seniors.

An equal opportunity provider.
